# e-Yantra Initiatives

We complement the existing higher education system Project Based Learning - i.e. "Learn by Doing".

## e-Yantra Lab Setup Initiative (eLSI)

The e-Yantra Lab Setup Initiative (eLSI) trains teachers in theory and programming through workshops and online training, and assists colleges in establishing robotics labs.

### Benefits of e-Yantra Lab

- Training of teachers and students through hands-on MOOCs
- FREE Robotic Kit
- Special pricing category for all value added courses/events
- Access to Resource portal
- Opportunities to take yearly subscription for free MOOCs\*

## e-Yantra Robotics Competition (eYRC)

Another fascinating competition

- **LEARNING** while **COMPETING**
- Inclusive competition for all skill levels.
- Work on diverse technologies.
- Online, 5-6 months duration.
- Learn while you compete.
- Enhance your engineering skills.
- Compete on an international level.

## e-Yantra Summer Internship Program (eYSIP)

e-Yantra selects top performers from competitions for 8-week internship at IIT Bombay along with our Industry Partners.

- Facilities and guidance to work on projects covering varied spectrum of tech
- Chance to experience a research environment
- Opportunity to gain confidence through expert talks and historical trips
