Report Cleanliness Drive

Today on the 06-06-2024, the Department of Environmental Science in collaboration with the **NSS Units and Eco-Club** of the college under the patronage of the worthy principal, **Prof. (Dr.) Neelofar Bhat** organized a **Mega Cleanliness Drive** across the College Campus to commemorate the World Environment Week - 2024 under the theme ***'Land Restoration, Desertification and Drought Resilience'***. The main aim of this drive was to direct students in constructive, sustainable and ecofriendly activities to enhance their intellectual, social, personal, and emotional insights so as to facilitate and ensure their contribution towards the environment in particular and the society in general. The students participated in the cleanliness drive enthusiastically and helped each other in the collection and disposal of the solid wastes. During this drive, the concerned teachers apprised the Ecoclub and NSS volunteers of the college about the increasing menace of solid wastes, their kinds, segregation and safe disposal and also pledged to keep their surroundings neat and clean.
