Report
Awareness March

Today on the 10-06-2024, the Department of Environmental Science in collaboration with the **NSS Units and Eco-Club** of the college under the patronage of the worthy principal, **Prof. (Dr.) Neelofar Bhat** continued the celebrations of World Environment Week - 2024 by conducting an 'Awareness March' within the college campus at 10:30 am under the slogan 'Save The Trees'. The students from all the disciplines marched from the Rumi Block with placards in their hands displaying green slogans emphasizing on the protection and conservation of trees as well as highlighting the importance of afforestation and reforestation programs. The students raised the slogans like *Don't be mean, Go Green; Save the Trees, Save the Life; Join the Green Side; Saving the Trees is the way To Be; Go Green, Plant More Trees* etc. in one voice sending across a clear message on how significant trees are for our sustained and continued future. At the end of the March, a brief deliberation was made by Prof. Abdul Hamid, Head, Department of Arabic about the religious perspective of plants, plantation, and maintenance of general hygiene and sanitation. During this drive, the teachers and the students pledged to safeguard the trees in the college campus as well as within their local vicinity and also encourage others to do the same.
