

## Countrywide Participation in Mass Pledge under “Nasha Mukht Bharat Abhiyan 2024”

August 13, 2024, 11:45 AM, Virtual Conference

It is with a profound sense of commitment and solidarity that we report on the significant event held today, where the students and the entire staff, both teaching and non-teaching, of our esteemed college, participated in the Countrywide Mass Pledge under the "Nasha Mukht Bharat Abhiyan 2024." This initiative, conducted under the Gracious Leadership of Madam Principal, Prof. (Dr.) Neelofar Bhat took place in Rumi Block Hall No. 1, marking a crucial step towards fostering a drug-free society.

In an inspiring demonstration of unity and shared responsibility, this virtual conference connected key stakeholders and participants across major venues in Srinagar and Jammu. We were honored by the esteemed presence of Shri Alok Kumar, IRS, Principal Secretary to Government Higher Education and School Education Departments, Shri Tassaduq Hussain Mir, Director of School Education, and Ms. Sheetal Nanda, IAS, Commissioner Secretary to Government Social Welfare Department. Their participation underscored the high-level commitment and the concerted effort to address the challenge of drug addiction in our communities.

As we reflect on the significance of this event, it is clear that the success of the "Nasha Mukht Bharat Abhiyan" hinges on the unwavering support and active participation of every citizen. Today's gathering is a powerful reminder of the collective strength that emerges when individuals unite for a common cause. Together, we have taken a decisive step towards a healthier, more prosperous future for our nation.
