## **Event Report: Observance of International Day Against Drug Abuse and Illicit Trafficking 2024**

### **Organized by:**

Anti-Drug Abuse and Rehabilitation Committee,  
Government Degree College for Women, Baramulla

### **Date:**

June 27, 2024

### **Venue:**

Rumi Block Hall No.2 , Government Degree College for Women, Baramulla

### **Participants:**

- Students of Government Degree College for Women, Baramulla
- Teaching staff of Government Degree College for Women, Baramulla

### **Experts:**

1. Dr. Mudasir Hassan Pandith, Associate Professor of Clinical Psychology at Government Medical College, Baramulla
2. Dr. Rafia, Senior Consultant Clinical Psychologist with MSF (Doctors Without Borders) at Government Medical College, Baramulla

### **Event Overview:**

The Anti-Drug Abuse and Rehabilitation Committee of Government Degree College for Women, Baramulla, successfully organized an event to observe the International Day Against Drug Abuse and Illicit Trafficking on June 27, 2024. The event aimed to raise awareness about the dangers of drug abuse and illicit trafficking and to educate the participants on prevention strategies and rehabilitation processes.

### **Key Highlights:**

#### **1. Expert Sessions:**

- **Dr. Mudasir Hassan Pandith:** Dr. Pandith delivered an insightful presentation on the psychological effects of drug abuse. He discussed the various factors that lead to substance abuse and highlighted the importance of early intervention and support systems. His session included real-life case studies and statistical data to provide a comprehensive understanding of the issue.
- **Dr. Rafia:** Dr. Rafia's session focused on the role of clinical psychologists in the rehabilitation of drug addicts. She shared her experiences working with MSF (Doctors Without Borders) and discussed various therapeutic approaches used in treating drug dependency. Dr. Rafia also conducted an interactive segment, answering questions from the students and teaching staff, and providing practical advice on how to support individuals struggling with addiction.

#### **2. Interactive Activities:**

- The event featured several interactive activities, including group discussions, role-plays, and a poster-making competition. These activities were designed to engage the students and encourage them to think critically about the impact of drug abuse on individuals and society.

#### **3. Awareness Campaign:**

- An awareness campaign was launched as part of the event, with students and teaching staff distributing informational pamphlets and displaying posters around the campus. The campaign aimed to extend the reach of the event's message beyond the college premises and into the broader community.
