Report  
Plantation Drive

Today on the 27-03-2024, the Department of Environmental Science in collaboration with the **Department of Botany, Eco-Club and Campus Management & Landscape Development Committee** of the college under the patronage of the worthy principal, **Prof. (Dr.) Neelofar Bhat** organized a **Mega Plantation Drive** across the College Campus. The main aim of this plantation drive was to direct students in constructive activities enabling them to enhance their intellectual, social, personal, and emotional insights so as to facilitate and ensure their contribution towards the society. The students participated in the plantation drive enthusiastically and helped each other in planting the saplings. During this drive, the teachers as well as the students of the college pledged to look after the planted saplings, plant more and more trees in the future and also encourage others to do the same.
