Report
World Water Day

Today on the 22-03-2024, the Department of Environmental Science in collaboration with the Eco-Club of the college under the patronage of worthy principal, **Prof. (Dr.) Neelofar Bhat** organized a programme to celebrate the World Water Day on the theme, “**Leveraging Water for Peace**” to aware and educate the students in particular and the masses in general regarding the importance, management and conservation of freshwater resources for our safe and sustained future. The event was started with the opening remarks by Prof. Zameer Mumtaz in which he gave an account of the problems arising on account of the water conflicts hindering development and peace in regions all over the world. A talk on ‘**Water and Religious Significance**’ was delivered by Dr. Abdul Hamid Shah, Head, Department of Arabic wherein he mentioned the eminence and meticulous use of water as per Islamic perspective and stressed upon the need to conserve it. Short speeches on the current theme were given by students, Rashida and Shariqa highlighting several water related conflicts in India and ways to mitigate such increasing problems as well as the plight of women especially in rural areas in fetching water from greater distances respectively. The students from the Department of Music performed on the famous Water Anthem and also presented a skit to raise the awareness regarding the ever increasing menace of water pollution. A formal vote of thanks was given by Dr. Hina Mushtaq to conclude the event.
