

BROWSING CENTRE

The College has a Browsing centre with LAN and Internet facility. The students can utilize the facility during college hours. They can search, download reading material, make their assignments and use the various e- resources which are subscribed by the Library. Students can use Open Educational Resources which are freely available on the Internet like Swayam, e-PG Pathshala, E-Content in UG Subject's etc. The links of these resources has also been kept available on the College Library website for easy access.
