Registration Now Open for Central & State Govt Schemes
Check Eligibility, & Important Dates

The National Scholarship Portal (NSP) has started the registration process for the academic year 2024-2025 for various scholarship schemes offered by central and state governments. Students can apply online at scholarships.gov.in.

What is the NSP Scholarship?

The NSP is an online platform that provides access to multiple scholarships offered by central and state governments. It enables students to apply for various scholarship schemes, including merit-based, means-based, minority, post-matric, pre-matric, central sector, and state-specific scholarships. NSP, offered by Ministry of Electronics & Information Technology aims to provide financial support to students studying at pre-matric, post-matric, diploma, UG, PG levels.
